

March 2010

Secretary: Please read at 3 consecutive meeting and provide a copy for all members.

Dear SIA Member/Group/Intergroup:

Why donate to SIA? One woman sent in a donation with the following note:

I understand donations are down to all non-profits. I hope and pray that your office will be able to keep operating. There seems to be nothing worse to bring out our emotional issues than bad economic times. I am saying your services are needed now more than ever.

I am still working 12 Steps – AA & SIA daily. In AA, I've found that ladies come to me to deal with abuse issues, so, I am happy to find that God is using my experience, strength and hope in this area. AA friends and I discuss these issues and I can share and identify with them. And again, I thank God for you all. Please keep on keeping on and I will also.

We will keep on keeping on, but the World Service Office needs your help. Donations are down. Rent, phone bill, electric and internet access etc. all seem to be going up. We need *your* help. Since we do not get grants, we are dependent on your generosity. Please give what you can as individuals, groups and intergroups. Donations are all **tax-deductible!** No donation is too small.

Thank you,

Linda D.
Executive Director/Co-founder
